

Professional profile and biographical data

Mr Valentín de Torres-Solanot del Pino is a Spanish businessman and entrepreneur, and holds a Degree in Public Works Engineering from Madrid Polytechnic University (1992) and a Degree in Civil Engineering from the UCAM (Catholic University of Murcia) (2001). He has been a non-formal education lecturer at the EUITOP (Faculty of Civil Engineering) of the UPM and a formal education lecturer at the ETSECCP (Faculty of Civil Engineering) of the Polytechnic University of Catalonia (UPC).

He was a director and non-executive vice-president at Noscira, S.A. (formerly Neuropharma), company belonging to the Zeltia group.

Currently he is owner and Managing Director of Copredije S.A., a company specialized in Coordination Engineering and first Spanish engineering company to subscribe to the 10 principles of the Global Compact. He is a founding member of E2IN2 S.A. and at present is coordinating Project CIVIE.
